

# Son Of A Ghost

Dagoba

Son of a ghost  
Raw is the loss

Lifeless...hamless  
Immortal...after all  
Invisible...invincible

Lost! In the shade of my eyes  
Fear the damned ! Cross me and die!

You'll find a reason  
To come to me  
I'll give you answers (when)  
You'll say that everything is over.

Inside...hazy sight  
Darken...the longest night  
Injurious...impervious

Lost! In the shade of my eyes  
Fear the damned! Cross me and die!

You'll find a reason  
To come to me  
I'll give you answers (when)  
You'll say that everything is over.

Lifeless...harmless  
Immortal...after all

Lost! In the shade of my eyes  
Fear the damned! Cross me and die!

You'll find a reason  
To come to me  
I'll give you answers (when)  
You'll say that everything is over.

Son of a ghost  
Raw is the loss  
Son of a ghost  
For forever and ever lost.
