

## Diamond Of The Desert

Daisy Chainsaw

Waiting in the wings so patiently  
Ever ready to slip in easily  
Secretly barely holding back from that gorgeous  
Diamond I must have  
Always charming amusing and polite  
Nonchalantly elegantly tight  
Secretly barely holding back from that gorgeous  
Diamond I must have  
Gently inching closer to the prize  
The tough the vision the beauty to these eyes  
Secretly barely holding back from that gorgeous  
Diamond I must have
