

# Everything Is Weird

Daisy Chainsaw

I was waiting all my life  
To start living  
When I am a child  
I understand living  
Everyone is weird  
Everyone is weird  
Everyone is so very weird  
Then they all  
With handed downs  
Destroy living I was  
Waiting all my life  
To find my home  
Everyone is weird  
Everyone is weird  
Everyone is so very weird
