

# Lovely Ugly Brutal World

Daisy Chainsaw

I've got a new dress  
With large breasts  
And I look funny  
My beautiful boy  
Who has brown eye  
We both smell immensely  
We live in our dreams  
He lives with self  
Will open up  
And now he bashes his head  
Again and again  
Oh my bed  
Oh my knees  
He's an odd boy  
Lucky boy  
Makes big noise  
With big bottle  
Lovely ugly cruel world (repeat)  
I wear a nice blue hat  
Just to keep in with awing of things  
Ugly, and it head to.....
