

Alone In The Shroud Of Darkness  
I Can See My Bright Eyes In A Mirror  
Now I Can't Find My Star In The Night  
And My Eyes Are Dreaming A Lie...  
Die With Your Sorrow  
In This Land You Get Rid Of Your Pain  
Floating Forever  
Without Anger, Without Desire

I Can't Touch Her With My Fingers  
Cause She's Closed In My Mind  
I Can't Touch Her With My Fingers  
But I'm Waiting For Another Life

Now I Am Waiting For Death  
Death The Only Way  
The Only Way To Open New Dreams  
And So Bury Me Deep

I Can't Touch Her With My Fingers  
Cause She's Closed In My Mind  
I Can't Touch Her With My Fingers  
But I'm Waiting For Another Life

If You Want Arrive To Your Heaven  
You Have To Plunge Yourself In This Bloody River...  
... And To Wash Away Your Sins

Follow Me And I'll Show You The Path To Safety  
No I Can't, Here I'm A Prisoner  
Oh, My Son,  
Close Your Eyes And Take My Hand  
I'll Spare You Of Your Appalling Trial

Amor, Vita, Mors - Amor, Vita, Mors
