

## Whiskey Or God

Dale Watson

Gonna bring me relief  
Believin' or not  
Bending my elbow or my knees  
I'm gonna drink until my conscience bleeds  
Before I fall asleep I'm gonna say a prayer for a brighter day  
Whiskey or God  
Bring salvation to me

I wake up in the mornin' after sufferin' through the night  
Not knowin' at the dawn is gonna bring relief in site, so

Whiskey or God  
Is gonna bring me relief  
Believin' or not  
Bending my elbow or my knees  
I'm gonna drink until my conscience bleeds  
Before I fall asleep I'm gonna say a prayer for a brighter day  
Whiskey or God  
Bring salvation to me
