

# Remember Me

Daley

Remember me!!

So you confess,  
To all the way you've been seeing  
Now you feel regret, yeah  
But that don't mean shit to me  
No, no  
So empty what you can say  
Take a minute please  
It's too little too late  
To make it up to me  
I hope that those tears refresh your memory  
Now when another makes you cry

That's when you, remember me  
I'm the one that had you baby  
I'm the one who loved you baby  
Remember me  
I'm the one that had you baby  
I'm the one who loved you baby

I guess it wasn't enough  
To give you everything, no no  
And I guess I should have know better  
How could I be so naïve  
I don't know,  
So empty what you can say  
Take a minute please  
It's too little too late  
To make it up to me  
I hope that those tears refresh your memory  
Now when you're all alone at night

That's when you, remember me  
I'm the one that had you baby  
I'm the one who loved you baby  
Remember me  
I'm the one that had you baby  
I'm the one who loved you baby

Now when you all alone at night

That's when you, remember me  
I'm the one that had you baby  
I'm the one who loved you baby  
Remember me  
I'm the one that had you baby  
I'm the one who loved you.
