

Speechless By D-side

Damage

Speechless
Oohh yeah yeah
Oohh yeah yeah

Tragic...completely
When the one you love
Keeps running games with your heart
I feel the static...inside me
Should I stay, should I go
I don't know where to start
(Oh no)
'Coz babe you and I
Don't you know we've got something that's beautiful (beautiful)
And yes you're the one
Even though that I know it's logical
'Coz baby

You've got something over me
Right now it's all a mystery
This things taken over you see
No matter what I do
I'm speechless over you
It don't make any sense at all
But I'm here to always take the fall
Baby...here's the proof
No matter what you do
I'm speechless over you

Panic...should I let go
Life ain't as easy as a simple A,B,C
(no,no,no,no,no)
I had it...baby you know
If it's steering that wheel to somewhere I can see
(I can see)
'Coz babe you and I
Don't you know we've got something incredible (incredible)
And yes you're the one
Even though that I know it's logical
'Coz baby...('coz baby)

no matter what you do
I'm speechless (over you)

Why can't you give your heart away
What can I do to make you stay
Coz when I try to walk away
Something tells me

no matter what you do
I'm speechless (over you)
