

Twinkle Twinkle Lil Star

Damage

Twinkle Twinkle Little Star
How I wonder what you are
Up above the world so high
like a diamond in the sky
star light, star bright
the first star i see tonight

i wish i may
i wish i might
have the wish i wish tonight

twinkle twinkle little star
how i wonder what you are
i have so many wishes to make
most of all, it's what i state
for just one girl that i've been dreamin' of
i wish that i could have all her love

OOh no

i wish i may
i wish i might
have the dream i dream tonight

OOh baby

twinkle twinkle little star
how i wonder what you are
i want a girl who'll be all mine
the one to say i'm her guy
some are sweet, that's for sure
i wanna be the guy she's lookin for

OOh no

i wish i may
i wish i might
have the girl i wish tonight

OOh baby.....

twinkle twinkle little star
how i wonder what you are
up above the world so high
like a diamond in the sky
starlight, starbright
the first star i see tonight

OOh no...

i wish i may
i wish i might
have the wish i wish tonight
