

# Let Go

Dami Im

That summer at the beach was the time I won't forget  
I could feel your heartbeat, running my fingers through your hair  
All the saltwater swallowed, 'cause my eyes were on you  
All those waves crushing along, premonition coming true  
You were slipping through my fingers, like a hand full of sand  
Like trying to catch a smoke with my b-b-bare hands  
I didn't read that stupid writing on that stupid wall  
I went ahead and got attached, and now I can't let go

'Cause you're the Good to my bye  
The Tom to my Jerry, the day to my night  
I'll never be ready to let go, let go, let go, let go (ooh ooh)  
And time isn't like us, it's been three years  
And I'll never get tired of wishin' you were here  
I'll never let go, let go, let go, let go

They say time heals all, but would you look at where I stand  
Wounds open, scars are showing, no medallions in my hand  
Three years down the track, and I'm still coming last  
Tryin' to catch my breath but you took all I had  
Now I miss your blue eyes first thing in the morning  
Followed by a goodbye kiss, sloppy one on the forehead  
Woke me at the crack of dawn, but boy I didn't give a damn  
'Cause at least back then leaving was a temporary thing!

'Cause you're the Good to my bye  
The Tom to my Jerry, the day to my night  
I'll never be ready to let go, let go, let go, let go (ooh ooh)  
And time isn't like us, it's been three years  
And I'll never get tired of wishin' you were here  
I'll never let go, let go, let go, let go

Every little detail screamed at me  
Said don't you fall temporary love  
Yeah that's all it was!  
But I know I'll remember all those times together  
Long nights, we weathered the storm!  
This can't be ooooo-oooo-over

'Cause you're the Good to my bye  
The Tom to my Jerry, the day to my night  
I'll never be ready to let go, let go, let go, let go (ooh ooh)  
And time isn't like us, it's been three years  
And I'll never get tired of wishin' you were here  
I'll never let go, let go, let go, let go

'Cause you're the Good to my bye  
The Tom to my Jerry, the day to my night  
I'll never be ready to let go, let go, let go, let go (ooh ooh)  
And time isn't like us, it's been three years  
And I'll never get tired of wishin' you were here  
I'll never let go, let go, let go, let go
