Hush all over the world,
Tonight
All over the world, you can hear the sounds
Of lovers in love

You know what I mean
Just the two of us, hmm
and nobody else insight
There's nobody else,
and I'm feeling good
Just holding you tight
So, listen very carefully
Closer now,
and you will see what I mean
Well, it isn't a dream
The only sound that you will hear
Is when I whisper in your ear
I love you forever and ever

There's a kind of hush all over the world, Tonight All over the world, you can hear the sounds Of lovers in love

So, listen very carefully Closer now, and you will see what I mean Well, it isn't a dream The only sound that you will hear Is when I whisper in your ear I love you forever and ever Yeah-ah

There's a kind of hush all over the world, Tonight All over the world, you can hear the sounds Of lovers in love
