Mr. President, Distinguished delegates

Since the beginning of modern civilization

Generations have witnessed and inherited the only conflicts of world wars,

But behold the marriage supper of the lamb and the bridegroom onto his bride,

Then shall the earth's children know the true expression of ONE LOVE Then mother earth shall honeymoon in peace.

Forever eliminating the aspirations, lust and anguish of wars and rumors of wars..SELAH!

See it deh know the innocent going up in vapors
And propoganda spreading inna the sunday papers not even
superman coulda save you with him cape cause,
Red-a Judgement a blaze, blaze ya
And Babylon a gamble the youth dem life like racehorse
And gi dem a uniform and a shave dem head with razors
And now the clock a strike war, don't be amazed cause

[Marcus Garvey dialogue 2]

If you cannot do it, if you are not prepared to do it...then you will die. You race of cowards, you race of imbosiles, you race of good for nothings,

If you cannot do what other men have done What other nations have done, what other races have done Then you yourself have died.

See it deh know the innocent going up in vapors
