

Give Dem Some Way

Damian Marley

Well, then a 'nuff gettoh youths no have no place to go
Live night and day roaming in the gettoh
Nuff gettoh youths ain't got no place of their own
Give them some place that they can call their home

Well, then a 'nuff politions telling poor people lies
And we can't get no answer when the poor people cry
The get wi ignorant, we bingi drum, we go rise
Give mi some space so I can burn those guys
