```
Me name Jr. Gong, me tellin' you
Youngest veteran, me tellin' you
Me name Jr. Gong, me tellin' you
Youngest veteran
```

I man say excuse me for a moment for a introduction Fus one fi mi Muma but mi Pupa last son Like some fruits in due season a so Jr. Gong come And mi deh 'round dis ya music from mi small and mi young Mi use to play Familyman bass, knock Carly's drum And any question you can ask I man can answer mi son

Me name Jr. Gong, me tellin' you Youngest veteran, me tellin' you Me name Jr. Gong, me tellin' you Youngest veteran

Well Jr. Gong is coming up and doing well excellent Treat the people right you stand out predominant Loving don't cost not a farthing neither a cent But should you spend the money that a money well spent Anyway, bigging up JAH JAH, blowing breath like a vent Listen to the girls dem with angelic talent Chant Nyahbinghi, burning up the serpent Please we teach the youths them LOVING not violence And from you naw say LOVING we beg you keep silent I say LOVING LOVING not violence And from you naw say LOVING me beg you keep, Lord

I said, look who is driving Ms. Daisy
The whole world is getting so hazy
The people they are getting so crazy
The wonders they don't seem to amaze me
It's been a long time the world's been waiting for this
Well Jr. Gong him come again him have some brand new lyrics
It's been a long time the world's been waiting for this
And them love Raggamuffin thru him style and tactics

Me name Jr. Gong, me tellin' you Youngest veteran, me tellin' you Me name Jr. Gong, me tellin' you Youngest veteran
