

Air Show Disaster

Damien Jurado

Listen here, see
I know how to make you famous
Listen to me, I know
They listen to me
'Cause I'm the one who makes them famous
Listen to me, they know

It's another nice day for an air show disaster

Listen here, see
Something that will make you nervous
Listen to me, then go
They listen to me
And I'm the one who makes them famous
Someday you'll see and know

It's another nice day for an air show disaster
Just another nice day for an air show disaster
Just another nice day at an air show disaster

So come on
So come on
So come on
So come on
