

Best Dress

Damien Jurado

Hey now put your best dress on
I'm tired of fighting
Let's take it out on the town,
do some old style dancing
We should just have a good time
We can stay out all night long
Hey now put your best dress on
Hey now put your best dress on

No price I wouldn't pay
to always have you with me
Nothing that I could take
feels like the thrill you give me
I'll show you such a good time
keep you up 'til the darkest dawn
Hey now put your best dress on
Hey now put your best dress on

Hey now put your best dress on...
