She spends her time with other boys
He spends his time fixing cars
She doesn't mind that he's gone
It gives her more time to talk
He'll come around when he's bored
And she'll pay him no mind

She sleeps alone with her thoughts
She dreams of good times
He'll come around when he's old
She'll pay him no mind

"We must stop meeting like this,
Coming to bed with no words said
Makes it tougher on both of us."
"We must stop meeting like this,
Coming to bed with no words said
Makes it tougher on both of us."

I'll see you around
I'll see you around sometime
I'll see you around
I'll see you around sometime

It used to be so much better than this
It used to be
