

# Tragedy

Damien Jurado

Girl, the life you're leading  
With the lying and the cheating is hard  
You got yourself a boyfriend  
Treats you like a lady and friend

No one sees the tragedy except for me

Girl, the life you're leading  
With the drinking and the cheating ain't good  
You had yourself a boyfriend and  
Used him like the others you did

Trust me, you're in deep  
It's no good

Trust me, you're in deep  
It's no good

Trust me, you're in deep  
Trust me, you're in deep  
It's no good
