

Waters Ave. S.

Damien Jurado

Autumn falls down these streets
We'll walk together
You take my hand
Inside your hand lightly

You used to kiss me on the bus
And now I'll walk these streets alone
You used to kiss me on the bus
And now I'll walk these streets alone

Meet me downtown, we'll walk around
Just you and me
Hey, there's my house
Waters Avenue sound

You used to kiss me on the bus
And now I'll walk these streets alone
You used to kiss me on the bus
And now I'll walk these streets alone

You used to kiss me on the bus
And now I'll walk these streets alone
Without you by my side
