

Beautiful

Damien Leith

I walked this earth to find the road in which you're leading
I found the path that brings me home and keeps me breathing
You fill the room with something only angels see
Nobody knows me like you do and leaves me weak

You are so beautiful
You're all that I know; all that is true
You are so beautiful

I found a place in life it's where I rest my head now
You opened up a side of me and let it out
What I believed is only half before I met you
I'd drop it all without a doubt

You are so beautiful
You're all that I know; all that is true
You are so beautiful

And I know why it is

I'm...so taken, so easy and I can't hide it
The way I've been feeling you shine a light

You are so beautiful
You're all that I know; all that is true
You are so beautiful

You are so beautiful
You're all that I want

So beautiful
So beautiful
So beautiful
