## **If Tomorrow Never Comes**

**Damien Leith** 

Sometimes late at night I lie awake and watch her sleeping She's lost in peaceful dreams So I turn out the lights And lay there in the dark And a thought crosses my mind But I never wake her, in the mornings Would she ever die The way I feel about her, in my heart.

'Cause if tomorrow never comes Will she know how much I loved her And I try in every way To show her everyday She's my only one.

If my time on earth were through She must face this world without me Is love I gave her in the past Gonna be enough to last If tomorrow never comes.

Tomorrow never comes, ooh

So tell that someone that you love Just what you're thinking of If tomorrow never comes.
