

Beautiful sky,
Blooming like flowers.
Towards the day,
Like heaven has lost it's way and is above me now.

Feel the air,
Cradle me softly.
The winds of life,
Breathe's gently,
Passes by my face.
It feels real nice.

I'm not the way I use to be.
Nothing's how it use to seem.
The simpleness,
is like a dream.

So happy with who I am,
It's a lovely day.
I'm so happy with who I am,
It's a lovely day.

Don't make no disremarks.

Watch the Earth,
Watch how the shadows,
Move slowly by.
Watch till the earth,
can touch the sun,
fall asleep.
And in a quiet time,
Let yourself unwind.
Feel the earth twist and turning,
Roll around.

Look up to the sky,
and know.
It's not the way they used to be
Not as how it use to seem.
Simpleness is,
is like no dream.

So happy with who I am,
It's a lovely day.
I'm so happy with who I am,
It's a lovely day.

A lovely day.
A lovely day.

So happy with who I am,
It's a lovely day.
It's a lovely day.
It's a lovely day.
It's a lovely day.
It's a lovely day.
It's a lovely day.
