

Amie

Damien Rice

1. Nothing Unusual Nothing Strange

Close to nothing at all
The same old scenario the same old rain
And there's no explosions here

Then something unusual something strange
Comes from nothing at all
I saw a spaceship fly by your window
Did you see it dissapear

R: Amie come sit on my wall
And read me the story of O
And tell it like you still believe
That the end of the century
Brings a change for you and me

2. Nothing unusual nothings changed

Just a little older thats all
You know when you've found it
There's someting I've learned
Cause you feel it when they take it away
hey hey hey...

Something unusual something strange
Comes from nothing at all
But I'm not a miracle and you are not a saint
Just another soldier on a road to nowhere

R: Amie come sit...
