

# Volcano

Damien Rice

1. Don't hold yourself like that  
You'll hurt your knees  
I kissed your mouth and back  
That's all I need  
Don't build your world around  
Volcanoes melt you down

R: What I am to you, is not real  
What I am to you, you do not need  
What I am to you, is not what you mean to me  
You give me miles and miles of mountains, and I ask for the sea

2. Don't throw yourself like that  
In front of me  
I kissed your mouth your back  
Is that all you need?  
Don't drag my love around  
Volcanoes melt me down

R: What I am to you...

For what I give to you  
Is just what I'm going through  
This is nothing new  
No no just another phase of finding  
what I really need  
Is what makes me bleed  
And like a new disease  
Lord, she's still too young to treat

Like a distant tree  
Volcanoes melt me down  
She's still too young  
I kissed your mouth  
You do not need me
