

# I Need A Gun

**Damon Albarn**

I need a gun to keep myself from harm  
The poor people are burning in the sun  
But they ain't got a chance, they ain't got a chance  
I need a gun 'cause all I do is dance  
'Cause all I do is dance

I need a gun to keep myself from harm  
The poor people are burning in the sun  
No, they ain't got a chance, they ain't got a chance  
I need a gun 'cause all I do is dance  
'Cause all I do is dance
