

King of a One Horse Town

Dan Auerbach

Everyday is just a little white lie
Telling myself I'm gettin' by
I just stay in this room and cry
The snow it covers up the ground
And I can't hear a single sound

I'd turn off the TV and go for a drive
But I can't see there's any signs of life
Kept a Christmas tree with blinking lights
I coulda made it but I messed around
I'm a loser with a rusted crown
Scared if I jump in the ocean I might drown

King of a One Horse Town
I'm the King of a One Horse Town
And I barely pull my weight around

I thought about leaving but I don't know
Wouldn't even know anywhere to go
Guess I'll stay on desolation row
Go get stoned and hang around
The beat of my drum is the only sound
I would jump into the ocean but I'm scared I'd drown

King of a One Horse Town
I'm a King of a One Horse Town
I'm a King of a One Horse Town
And I barely pull my weight around

I'm a King of a One Horse Town
King of a One Horse Town
I'm a King of a One Horse Town
And I barely pull my weight around
