

The Prowl

Dan Auerbach

I see you walkin' after dark
Trading looks with other men
But I'm the only one you need
And I know just where you've been
Oh can't you see the tears I cried
And soak them up like a towel
For now I'll be one step behind
Oh girl you got me on the prowl
I crawl around most every night
And I'm all wrapped up in your spell
I wish someone could understand
But you know I could never tell
I'll just live on in the dark
If there's no harm, there's no foul
Well my love for you is strange
Oh girl you got me on the prowl
