

On My Head

Dan Bárta

1. Lead my heart in my own place,
run up to the stars across the heaven.
Hello, you say, you will drive me lazy.
Meeting my heart, leaving the yard,
Waiting for the night's birds, never say never
We freak, we burst, blasting from all angles..

R: |: When I am standing on my head,
you are crazy smiling,
now we don't have it, we are mad,
go round this speedy romancing :|

2. You have the time to take a break,
get up to find your lost control
Someone lost your trust, your soul,
looking for the right size and a good measure.
I am a tough guy from the sky,
my good will drives me crazy..

R: (4x)
