I met God On the edge of town Where the wind meets the stillness Where the darkness meets the light

Where the ocean meets the sky
Where the desert meets the rain
Where the earth meets the heavens
On the edge of town
I met God

I asked God Do one thing for me Send me back in time Send me to Seattle

Let me go Find Kurt Cobain Take away his gun Take away his bullets

Talk to him
Make him want to live
Tell him how we love him
Help him see his glory

God said no
If I sent you back
If you really found him
You would only ask him

If he could Help you get a deal If he knows a lawyer If he can help you God said no

I asked God Do one thing for me Send me back in time Send me to Berlin

Let me find
The one they call Hitler
I will stalk him
I will bring him down

I will bring along A powerful gun Loaded with bullets Obliterate his memory

God said no
If I sent you back
You would get caught up
In theory and discussion

You would let your fears Delay and distract you You would make friends You would take a lover God said no

I asked God Do one thing for me Send me back in time Send me to Jerusalem

Let me go find Jesus Let me save His life As they try to kill Him

Let me take Him down
Down from the cross
Take the iron from His body
Try to heal His wounds

God said no
If I let you go
If you really found Him
Walking with the cross

You would stare Your tongue no longer working Eyes no longer seeing Ears no longer hearing

God said Dan
Time belongs to me
Time's my secret weapon
A final advantage

God turned away From the edge of town He knew, I was beaten And now was all I had

God said no
