

# Yours

Dan Black

Now you know I know, head in a hole  
By saying nothin' you take control  
Passive aggressive, a daily routines  
Now you pollute even my dreams

You've got some nerve (you've got some nerve)  
To stand and say (to stand and say)  
Oh, it's all (all) just (just) fine  
You've got some nerve (you've got some nerve)  
To stand and say (to stand and say)  
Why you havin' (havin') a good (a good) time?

I don't wanna be yours no more  
Not yours no more  
Don't wanna be this where I just exist  
Can I have a little bit?  
I don't wanna be yours no more  
Not yours no more  
Don't wanna be this where I just exist  
Can I have a little bit more?

Well you know I know who stole my soul  
Threw it in a bag into a hole  
Passive aggressive, the daily routines  
Now you pollute even my dreams
