

# Minecraft creeper rap

Dan Bull

I'm a creeper  
Minecraft's grim reaper  
blowing up blocks like Al-Qaeda  
I'm not a creature  
that will eat you  
but i'll leave you petrified  
Peter  
remind peeps  
of Minesweeper  
clicking on a brick  
then you die in the deep  
I'll find your mine  
I'm a mind reader  
now the mine is mine  
it's finders keepers  
Oh hi  
I'm a creeper  
so nice, nice to meet you  
but is that the time?  
It's time too leave  
and tick  
tock  
tick  
tock

BOOM BOOM BOOM  
I can't stop singing this bloody  
TUNE TUNE TUNE  
it's gonna make my brain go  
BOOM BOOM BOOM  
I can't stop singing this bloody  
TUNE TUNE TUNE  
Ooooooooooooooooooooooh (pew pew pew)

I do what I wanna  
move aside, mama  
tick tick  
I'm a suicide bomber  
I take control  
then I'm gonna  
leave a gaping hole  
Belladonna  
that'll take it's toll  
when I'm on a quest to invade  
detonate your soul  
fizz like a lemonade then blow  
so you'd better stay indoors  
or I'll find your mine  
when your mining ore  
you'll be dying  
lying in gore  
darling, aww  
what you crying for?  
Did somebody break your diamond sword?  
I am the volatilest sort  
what a violent force  
that'll frighten Spartans

hark and hear Leonidas talk  
when he sees me:  
"Tonight we dine indoors"

BOOM BOOM BOOM  
I can't stop singing this bloody  
TUNE TUNE TUNE  
it's gonna make my brain go  
BOOM BOOM BOOM  
I can't stop singing this bloody  
TUNE TUNE TUNE  
Ooooooooooooooooooh

It's official  
a ballistic missile  
couldn't get this result  
I blow through stone  
like a six foot chisel  
so you better shiver  
when you hear that sizzle  
fffffo shizzle  
Take a listen  
it's a premonition  
of my mission  
death by demolition  
If I don't come home  
there's a sign in my kitchen  
to describe why I'm missin'  
"gone fission".  
Write hot raps  
I got stacks  
sometimes when I die  
I drop tracks  
I got a lot  
ocelot  
fight off cats  
if I'm feeling nice then I might not  
BLAST

BOOM BOOM BOOM  
I can't stop singing this bloody  
TUNE TUNE TUNE  
it's gonna make my brain go  
BOOM BOOM BOOM  
I can't stop singing this bloody  
TUNE TUNE TUNE  
(Ooooooooooooooooooh) My hobbies and interests include going  
BOOM BOOM BOOM
