

At Christmas Time

Dan Fogelberg

At Christmas time
We raise our hearts and celebrate the solstice
At Christmas time
We raise our hearts and celebrate the solstice
At Christmas time
We welcome friends and give good cheer of the season
At Christmas time
We welcome friends and give good cheer of the season
At Christmas time
We lift our glass and toast the health of our loved ones
At Christmas time
We lift our glass and toast the health of our loved ones
At Christmas time
We join the feast and give our thanks for the bounty
At Christmas time
We join the feast and give our thanks for the bounty

At Christmas time, at Christmas time, at Christmas time
At Christmas time, at Christmas time, at Christmas time
At Christmas time...
At Christmas time

We join the feast and give our thanks for the bounty
At Christmas time
We sacrifice and give to those who are needy
At Christmas time
We sacrifice and give to those who are needy
At Christmas time
We dance and sing and let our spirits be merry
At Christmas time
We dance and sing and let our spirits be merry

At Christmas time
We dance and sing and let our spirits be merry
At Christmas time
We praise the Lord and count His blessings so many
At Christmas time
We praise the Lord and count His blessings so many

At Christmas time
We praise the Lord and count His blessings so many
At Christmas time
We praise the Lord and count His blessings so many
