

Heart Hotels

Dan Fogelberg

Well there's too many windows in this old hotel
And rooms filled with reckless pride
And the walls have grown sturdy
And the halls have worn well
But there is nobody living in inside
Nobody living inside

Gonna pull in the shutters on this heart of mine
Roll up the carpets and pull in the blinds
And retreat to the chambers that I left behind
In hopes there still may be love left to find
Still may be love left to find
Seek inspiration in daily affairs
Now your soul is in trouble and requires repairs
And the voices you hear at the top of the stairs
Are only echoes of unanswered prayers
Echoes of unanswered prayers

Well there's too many windows in this old hotel
And rooms filled with reckless pride
And the walls have grown sturdy
And the halls have worn well
But there is nobody living in inside
Nobody living inside
