

# Only The Heart May Know

Dan Fogelberg

Silent sea  
Tell this to me:  
Where are the children that we  
used to be

Silent sea:  
At picture shows  
Where nobody goes  
And only the heart can see.

Starry skies  
Soft lullabies  
Where do they go when their  
melodies die?

Starry skies:  
To a day  
Far, far away  
That only the heart may know.

Friends we knew  
Follow us through  
All of the days of our lives  
Love we shared  
Waits for us there  
Where our wishes forever reside.

Falling tears  
Memories` mirrors  
Where are summers  
Oh, where are the years?

Falling tears:  
Carried far  
To a wandering star  
That only the heart may know.

Friends we knew  
Follow us through  
All of the days of our lives  
Love we shared  
Waits for us there  
Where our wishes forever reside.

Starry skies  
Soft lullabies  
Where do they go when their  
melodies die?  
To a day  
Far, far away  
That only the heart may know.
