Only The Heart May Know

Dan Fogelberg

Silent sea Tell this to me: Where are the children that we used to be

Silent sea: At picture shows Where nobody goes And only the heart can see.

Starry skies Soft lullabies Where do they go when their melodies die?

Starry skies: To a day Far, far away That only the heart may know.

Friends we knew Follow us through All of the days of our lives Love we shared Waits for us there Where our wishes forever reside.

Falling tears Memories` mirrors Where are summers Oh, where are the years?

Falling tears: Carried far To a wandering star That only the heart may know.

Friends we knew Follow us through All of the days of our lives Love we shared Waits for us there Where our wishes forever reside.

Starry skies Soft lullabies Where do they go when their melodies die? To a day Far, far away That only the heart may know.
