

## Rhythm of the Rain

Dan Fogelberg

Listen to the rhythm of the falling rain  
Telling me just what a fool I've been  
I wish that it would go and let me cry in vain  
And let me be alone again

The only girl I ever loved has gone away  
Looking for a brand new start  
But little does she know that when she left that day  
Along with her he took my heart

Rain please tell me now does that seem fair  
For her to steal my heart away when she don't care  
I can't love another when my heart's somewhere far away

Listen to the rhythm of the falling rain  
Telling me just what a fool I've been  
I wish that it would go and let me cry in vain  
And let me be alone again

The only girl I ever loved has gone away  
Looking for a brand new start  
Little does she know that when she left that day  
Along with her she took my heart

Rain won't you tell her that I love her so  
Please ask the sun to set her heart a glow  
And rain in her heart and let the love we know start to grow

Listen to the rhythm of the falling rain  
Telling me just what a fool I've been  
Ah I wish that it would go and let me cry in vain  
And let me be alone again

Rain please tell me now does that seem fair  
For her to steal my heart away when he don't care  
I can't love another when my heart's somewhere far away

Oh listen to the falling rain  
Oh rhythm of the falling rain  
Oh listen to the falling rain  
Oh rhythm of the falling rain
