

Since You've Asked

Dan Fogelberg

What I'll give you since you've asked
Is all my time together?
Take the rugged sunny days
The warm and rocky weather
Take the roads that I have walked along
Looking for tomorrow's time, peace of mind

As your life spills into mine
Changing with the seasons
Filling up the world with time
Changing time to reasons
I can show you all the songs
That I never sang to someone before

We have seen a million stars
Lying by the water
You have climbed the hills with me
To the mountain shelter
Taking off the days one by one
Setting them to breathe in the sun

Take the lilies and the lace
From the days of childhood
All the willow winding paths
Leading up and outward
This is what I give
This is what I ask you for
Nothing more
