

# Wandering Shepherd

Dan Fogelberg

Wandering shepherd, wander no more  
Wandering shepherd, wander no more  
Wandering shepherd, wander no more  
Lay down your troubles, your worries and woes

Traveling pilgrim, rest for the night  
Traveling pilgrim, rest for the night  
Traveling pilgrim, rest for the night  
Sup with the Savior and drink of His light

Homeless believer, find here a home  
Homeless believer, find here a home  
Homeless believer, find here a home  
You may be lonely but never alone

Wandering shepherd, wander no more  
Wandering shepherd, wander no more  
Wandering shepherd, wander no more  
Lay down your troubles, your worries and woes
