

# Heaven in Your Arms

Dan Hartman

Here I go falling in love again  
I don't think I can stop it  
And I know that it might hurt  
But I can't do without it

Losing sleep, I toss and I turn  
I wonder if you're aware  
That I'm thinking of you, can't you see  
You're the only one in my fantasy

Ooh-ooh, it must be heaven in your arms  
I don't doubt it now  
Ooh-ooh, it must be heaven in your arms  
I need to know it now  
Ooh-ooh, it must be heaven in your arms  
Oh yeah

I'm alone, don't want no one else  
I roam the streets of the city  
I call you up from the payphone nearby  
But you say you're too busy

You gotta run out in the night  
Come my way, I'll hold you tight

Ooh-ooh, it must be heaven in your arms  
I don't doubt it now  
Ooh-ooh, it must be heaven in your arms  
I need to know, whoa

Ooh-ooh  
Ooh-ooh  
(Ahh-ahh-ahh)

Ooh, I can live forever  
In a moment of your love  
You said I seem like a long lost, lonely boy  
But you know what I'm in need of (it must be heaven in your arms)  
It must be heaven in your arms (must be heaven in your arms)  
Ooh, it must be heaven in your arms (must be heaven in your arms)  
It must be heaven in your arms (must be heaven in your arms)  
I believe, I believe, it must be heaven, don't you know

(Must be heaven in your arms)  
Oh, oh, oh, oh (must be heaven in your arms)  
(Ahh, must be heaven in your arms)  
La, la, la, la (oh)
