

# In the Heat of the Night

Dan Hartman

Ow  
(Ahh)

Do you believe it's just another night  
Warm and strange?  
Do you believe if you shut the light  
Things will change?

Is it only the loneliness  
That keeps us here in the dark  
It's in the street, in the heat  
The answer's somewhere in the heart

I wanna give it all my loving  
In the heat of the night  
Wrong or right  
I wanna give it all my loving  
In the heat of the night  
In the heat of the night  
I wanna give it all my loving  
It's got to be right, oh  
(In the heat of the night)  
When the fog is turning, burning  
In the heat of the night, oh-oh-oh, ooh, ooh

Late hours, the emptiness devours  
Passion and pain  
Winners never show it, losers never know  
It's all the same (it's all the same)  
Ah, we turn around, and spin around and back around  
It's all in the game, ooh

Baby it's all the loneliness  
Tears a whole in my heart  
Oh, what can I do to make it through?  
Gotta be wherever you are

I wanna give it all my loving  
In the heat of the night  
Oh, woah-woah  
I wanna give it all my loving  
In the heat of the night  
In the heat of the night  
In the heat of the night, oh

We've been finding a way to each other for a long, long time  
And still we're here together, stronger more than ever  
Tonight you're all mine, oh (oh-oh-oh-oh)  
Woo

Oh, I hold in here  
And already I'm alone again  
Some things never end

I wanna give it all my loving  
In the heat of the night  
In the heat of the night

I wanna give it all my loving, ooh  
In the heat of the night, hey  
(I wanna give it) I wanna give it  
(I wanna give it) Please let me give it  
(I wanna give it) I want  
(In the heat of the night)  
I wanna give it all my loving  
In the heat of the night  
In the heat of the night
