

# Love Of My Life

Dan Hill

You are the love of my life  
And you are the reason I'm alive  
And baby, baby, baby  
When I think of how you saved me  
I go crazy

And I've never known love like this  
It fills me with a new tenderness  
And I know, I know, I know  
You're in my heart, you're in my soul  
You're all I can't resist

And I need to tell you  
The first time I held you  
I knew you are the love of my life

And I spent a lifetime waiting  
Always hesitating until you  
I was lost and deep inside my shell  
Til you came and saved me from myself  
Now all I really know is I need you  
I need you

You are the love of my life  
And all the joy and the tears that I cried  
And baby, baby, baby  
You don't have to say a word  
I see it in your eyes

As we stand together  
I promise forever  
Til the day that I die  
You are the love of my life

And I spent a lifetime waiting  
Always hesitating until you, oh  
I was lost and deep inside my shell  
Til you came and saved me from myself  
Now all I really know is I need you, oh

You are the love of my life  
You are the reason I'm alive
