Dan Hill

You are all I see
And everythi-ing that's you
Spills into me
And all I wanna be-ee
Is whole enough you see-ee-ee
So I can give to you
As you give to me
You are all I need
And everythi-ing that's you
Beco-omes me-ee
And all I wanna be-ee-ee
Is whole enough you see-ee
So I can give to you
As you give the wor-orld in you-ou
To me-ee...
