

My Little Bitty Pee Pee

Dan Reeder

Well yesterday I was just another white guy

Uh-huh

But I'm a blues man today

I can hear those colored girls singing in the background

Woo hoo just like in the bathtub

It's a thang thang thang thang thang thang thang th
ang thang

I'm a white guy

But I'm a blues man today

And just like all the rest of us

I'm a little bit ashamed

Of my

My little bitty pee-pee

Pee-pee

Little bitty pee-pee

My little bitty pee-pee

I-i'm ashamed of my little bitty pee-pee

My little bitty pee-pee

My little bitty pee-pee

My little bitty pee-pee

My little bitty pee-pee

My little bitty pee-pee

My little bitty pee-pee

My little bitty pee-pee
