

Meet Me In Montana

Dan Seals

Wrote my whole life down in a notebook
Songs about you and me
I've been singing to every soul in Tennessee
Nobody seems to listen
No one ever smiles the way that you do
So I guess you'll never hear me on the radio
I'd give up this crazy dream of mine
To hold you once more

Won't you meet me in Montana
I want to see the mountains
In your eyes
Oh! Oh! I've had all of this life I can handle
Meet me underneath that big Montana sky

I left home for Hollywood
Looking for a part to play
You always said I had such a pretty face
But I guess I'm not that pretty
'Cause no one looks at me
The way that you do
Well, you'll always be a movie star to me
Darling now I guess it's time that I let go of that dream

Won't you meet me in Montana
I want to see the mountains
In your eyes
Oh! Oh! I've had all of this life I can handle
Meet me underneath that big Montana sky

Well, we're stuck here in these hills
That they call mountains
But Darling back home in your arms
Is right where I wanna be

Won't you meet me in Montana
I want to see the mountains
In your eyes
Oh! Oh! I've had all of this life I can handle
Meet me underneath that big Montana sky
