

# Nights Are Forever Without You

Dan Seals

Lying in bed with the radio on  
Moonlight falls like rain  
Soft summer nights spent thinking of you  
When will I see you again

Soft and low the music moans  
I can't stop thinking about you  
Thinking 'bout you

I didn't know it would be so strong  
Waiting and wondering about you  
I didn't know it would last so long  
Nights are forever without you

Curtains still dance with the wind and the sky  
The sun will be coming up soon  
But I just can't sleep for thinking of you  
Here alone with the moon

Soft and low the music moans  
I can't stop thinking about you  
Thinking 'bout you

I didn't know it would be so strong  
Waiting and wondering about you  
I didn't know it would last so long  
Nights are forever without you  
Nights are forever without you

Nights are forever without you  
Nights are forever without you  
Nights are forever without you
