

## Tequila

Dan + Shay

I can still shut down a party  
I can hang with anybody  
I can drink whiskey and red wine  
Champagne all night  
Little scotch on the rocks and I'm fine, I'm fine

But when I taste tequila, baby I still see ya  
Cutting up the floor in a sorority T-Shirt  
The same one you wore when we were  
Sky high in Colorado, your lips pressed against the bottle  
Swearing on a Bible, baby, I'd never leave ya  
I remember how bad I need ya, when I taste tequila  
When I taste tequila

I can kiss somebody brand new and not even think about you  
I can show up to the same bar  
Hear the same songs in my car  
Baby, your memory it only hits me this hard

When I taste tequila, baby I still see ya  
Cutting up the floor in a sorority t-shirt  
The same one you wore when we were  
Sky high in Colorado, your lips pressed against the bottle  
Swearing on a Bible, baby, I'd never leave ya  
I remember how bad I need ya, when I taste tequila  
When I taste tequila

I ain't even drunk, I ain't even drunk  
And I'm thinking  
How I need your love, how I need your love  
Yeah, it sinks in

When I taste tequila, baby I still see ya  
Sorority t-shirt, the same one you wore when we were  
Sky high in Colorado, your lips pressed against the bottle  
Swearing on a Bible, baby, I'd never leave ya  
I remember how bad I need ya, when I taste tequila  
When I taste tequila  
When I taste tequila  
When I taste tequila
