

# Easy Silence

Dan Wilson

When the calls and conversations  
Accidents and accusations  
Messages and misperceptions  
Paralyze my mind

Busses, cars, and airplanes leavin'  
Burnin' fumes of gasoline and  
Everyone is running and I  
Come to find a refuge in the

Easy silence that you make for me  
It's ok when there's nothing more to say to me  
And the peaceful quiet you create for me  
And the way you keep the world at bay for me  
The way you keep the world at bay

Monkeys on the barricades  
Are warning us to back away  
They form commissions trying to find  
The next one they can crucify

And anger plays on every station  
Answers only make more questions  
I need something to believe in  
Breathe in sanctuary in the

Easy silence that you make for me  
It's ok when there's nothing more to say to me  
And the peaceful quiet you create for me  
And the way you keep the world at bay for me  
The way you keep the world at bay

Children lose their youth too soon  
Watching war made us immune  
And I've got all the world to lose  
But I just want to hold on to the

Easy silence that you make for me  
It's ok when there's nothing more to say to me  
And the peaceful quiet you create for me  
And the way you keep the world at bay for me

The easy silence that you make for me  
It's ok when there's nothing more to say to me  
And the peaceful quiet you create for me  
And the way you keep the world at bay for me  
The way you keep the world at bay for me  
The way you keep the world at bay
