Totally Bone

Dananananaykroyd

Oh curses, I became emasculated Can you take me aside and aid me to select the right tools? So that I might Dismember the flesh and cut off the skins Make me a busby or something Make me a b-b-b-b-b-b-b-b-b-b-b-b-b

The skulls received as accolades I parade in the pelt Let's all have a massive hug and prove that we can do it...

We can totally bone!

Together plumage and the hide are stitched It's a gift to myself, so that we might Slip out of our clothes And stand bodily bare Except for a headdress or something And we can...

We can totally bone!

Oh curses, I became emasculated Can you take me aside and aid me to select the right tools? So that I might Dismember the flesh and cut off the skins Make me a busby or something Bring me home
