

# Flossie Dickey Bounce

Dance Gavin Dance

Cocaine! Cringe fest. (5x)

Oooh wow, you're looking dirty, need a champagne shower now.  
lay down, let's see if we can get the lip stick to come out.

I adjust the thing that they can see  
I adjust, the just the song to play  
Free your mind from upon the cage.  
I can talk a (parliment?)

Cracked out, Snap out of it  
I don't care I'm in it  
Cracked out, snap out of it  
Now Bounce!

Cocain, Cringe fest (x5)

We tried, no luck, it's all right.  
Trust me honey you look fine.  
I'll just walk around the city telling chickens that I pity and  
I'd love for them to meet my wife.

I adjust the thing that they can see  
I adjust the just the song to play  
Free your mind from upon the cage.  
I can talk a (parliment?)

Cracked out, Snap out of it  
I don't care I'm in it  
Cracked out, snap out of it  
Now Bow!

(Woooooow)  
and If we move too slow  
let it rot, decay, and decompose  
if we just let it flow  
The fairy dust could tap-out.  
Cause I'm a rolling stone  
Never been tied down in one place too long.  
came down the lonely road, it's all I've ever known.  
Make your move tonight.  
C-C-Close your eyes don't fight it anymore  
and when the sun comes up we will be wondering what,  
could've been, should've been.  
M-M-Make your move tonight, make your move tonight.
