

My Problem

Dance Hall Crashers

Never thought of leaving you today.
Never thought I'd ever feel this way,
But now I'm gone and you are alone.
I hope you're not waiting by the phone
I am never coming back,
Not because of anything you lack.
Believe me there's nothing you can do
The problem's with me and not with you.

You've been there for me each and every time.
Trust me, it's not your problem it is mine.
I'm sorry, I don't know what's going through my head
I didn't mean for you to be misled.

For some reason I don't know,
It doesn't feel right so I have to go.
Don't let it hurt your self-esteem.
You'll be some girl's everlasting dream.
It has nothing to do with you.
Please trust me for I'm being true.
I'm sorry for the pain it will bring,
It's just another dumb girl thing.

You've been there for me each and every time.
Trust me, it's not your problem it is mine.
I'm sorry, I don't know what's going through my head
I didn't mean for you to be misled.

You've been there for me each and every time.
Trust me, it's not your problem it is mine.
I'm sorry, I don't know what's going through my head
I didn't mean for you to be misled.
